Instruction Sheet

How you and your students CAN help!

1. Determine date for collection of canned goods. (Notify us at 616-285-0693 to make arrangements to pick up the cans.)
2. Insert date into space on the flyer master **before** making copies. Copy & distribute to students.
3. Give teachers the page with historical information and answers to questions students may have about the monument. (Instructions for teachers on lower right corner of page.)
4. Fill in record-keeping sheet for recognition purposes and for keeping your school updated on the progress of the project.

To encourage participation, we have provided a certificate (master) for each teacher to fill out for the students who participate. (NOTE: Schools with participation will also be recognized in the tribute booklet that will be printed for the re-dedication ceremony to be held after the Monument is restored.)

For more information or questions please call project coordinator, Bruce B. Butgereit at 616-285-0693. Also contact him if you have additional ideas or “special stories” that can be used for media coverage. We will coordinate this with you for the most positive affect for the school and the restoration project. THANK YOU!
